A Private Yacht Charter Through the Greek Isles

Welcome to Greece

A Journey Years in the Making

There are places we visit, and there are places that become part of us. Greece is one of those places.

From the first glimpse of whitewashed villages cascading down sunlit hillsides to quiet evenings spent watching the sun disappear into the Aegean Sea, Greece has a way of capturing your heart. It invites you to slow down, embrace life's simple pleasures, and discover beauty around every corner.

When Gary and I began dreaming about hosting this journey, we knew it had to be different from a typical cruise. We wanted to create an intimate experience where friendships are formed over incredible meals, hidden harbors are explored together, and every day feels like a new adventure waiting to unfold.

Aboard our private yacht, we'll visit islands that have inspired artists, writers, and travelers for centuries. We'll stroll through charming villages, dine at authentic tavernas, swim in crystal-clear coves, discover ancient history, and enjoy unforgettable sunsets from the deck with a glass of wine in hand.

Most of all, we hope you'll return home with more than beautiful photographs. We hope you'll leave with wonderful memories, new friendships, and a deeper appreciation for a remarkable corner of the world.

Thank you for allowing us to share this extraordinary journey with you.

We can't wait to welcome you aboard.

With warmest regards,

Wendy & Gary

"The sea has always been Greece's greatest storyteller."

Your Home on the Aegean

Boutique Yachting, Reimagined

Unlike the towering cruise ships that visit the Greek Isles, your boutique yacht was designed for travelers seeking a more intimate way to experience Greece. With just 72 guests on board, personalized service, relaxed luxury, and access to secluded harbors all become part of everyday life.

With 36 ocean-view staterooms, the yacht offers the comfort of a luxury boutique hotel with the relaxed atmosphere of a private yacht. Recently renovated in 2023, every space has been thoughtfully designed to create an inviting environment where you can truly unwind.

Each morning begins with breakfast overlooking the sparkling Aegean Sea. Spend your afternoons relaxing on the sun deck, enjoying the yacht's swim platform, or watching secluded coves and charming villages come into view. Evenings bring leisurely dinners ashore, conversations with fellow travelers, and unforgettable sunsets from the deck.

With a dedicated crew of 29, exceptional service quickly becomes one of the highlights of the journey. Before long, the crew knows your favorite morning coffee, your preferred table for dinner, and greets you by name—creating the warm, personal atmosphere that makes boutique yachting so memorable.

This isn't simply transportation. It's your home on the Aegean.

Our Greek Odyssey

A week of hidden harbors, timeless villages, ancient history, and unforgettable sunsets.

Day by Day Discoveries

June 23

Lavrio & Syros

Your journey begins in the historic port of Lavrio, gateway to the Cyclades. As we set sail into the Aegean, you'll leave the mainland behind and begin a week filled with hidden harbors, timeless villages, remarkable history, and unforgettable sunsets. As evening falls, we'll gather for a welcome cocktail reception and dinner before arriving in Syros, where marble streets, elegant cafés, lively tavernas, and a warm island welcome await.

June 24

Delos & Mykonos

Begin the morning exploring the sacred island of Delos, birthplace of Apollo and one of the Mediterranean's most remarkable archaeological treasures. Walking among ancient temples, mosaics, and ruins offers a fascinating glimpse into one of history's greatest civilizations.

Later, we'll arrive in beautiful Mykonos, where iconic windmills overlook winding whitewashed lanes filled with boutiques, cafés, and seaside tavernas. Whether you spend the evening shopping, dining along the waterfront, or simply soaking in the island's lively atmosphere, Mykonos is unforgettable.

June 25

Naxos

Often considered the most authentic of the Cyclades, Naxos welcomes visitors with picturesque villages, ancient marble monuments, and a slower pace of life.

Explore the charming Old Town, stroll beneath the iconic Portara gateway overlooking the sea, browse artisan shops, or savor traditional Greek cuisine in a family-owned taverna before returning to the yacht for another spectacular evening at sea.

Day by Day Discoveries

June 26

Monemvasia

Step ashore in one of Greece's most enchanting medieval towns. Carved into a massive rock rising from the sea, Monemvasia feels like stepping back in time. Wander narrow cobblestone lanes lined with Byzantine churches, charming cafés, artisan boutiques, and centuries-old stone homes before climbing to panoramic views overlooking the sparkling Aegean.

June 27

Fokianos Beach & Nafplio

Begin the day with a refreshing swim stop in the crystal-clear waters of Fokianos Beach. Relax, snorkel, or simply soak in the beauty of one of Greece's hidden gems before continuing to Nafplio, widely regarded as one of the country's most romantic seaside towns.

Spend the afternoon exploring elegant squares, waterfront promenades, Venetian architecture, and inviting cafés. Those looking for spectacular views may choose to climb the famous Palamidi Fortress, where breathtaking vistas reward every step.

June 28

Hydra

Discover the timeless beauty of Hydra, an island where cars have been replaced by donkeys, walking paths, and quiet harbors. Whitewashed mansions, colorful fishing boats, and waterfront cafés create one of the most picturesque settings in all of Greece.

This evening we'll gather for our special Captain's Dinner & White-and-Blue Night Party, celebrating an unforgettable week together with wonderful food, great conversation, and the warm hospitality that has made this journey so memorable.

Day by Day Discoveries

June 29

Aegina

Our final island stop brings us to Aegina, famous for its pistachio orchards, charming harbor, and rich history. Browse local artisan shops, enjoy a leisurely stroll along the waterfront, or visit the remarkably preserved Temple of Aphaia, one of Greece's most impressive ancient sanctuaries. As the sun begins to set, we'll reflect on an extraordinary week of discovery while sailing back toward the mainland.

June 30

Until We Meet Again | Return to Lavrio

After a late-evening departure from Aegina, we'll return to Lavrio in the early morning, bringing our Greek island adventure to a close. Although our voyage ends here, we hope you'll return home with lasting memories, wonderful new friendships, and stories that will inspire your next adventure.

Until we travel together again...

The ancient Greeks believed the Muses gifted inspiration to those fortunate enough to encounter them. Perhaps somewhere among these islands, you'll find yours.

Find Your Muse in Greece

The ancient Greeks believed the Muses—goddesses of inspiration—gifted their magic to those fortunate enough to encounter them.

As we sail the secret isles of the Aegean, may you find your own muse—in a secluded harbor, a shared laugh over dinner, a breathtaking sunset, or a quiet moment at sea.

May these islands leave their mark upon your soul, and may the stories created here become treasures you carry for a lifetime.
